CAPABILITY STATEMENT

The Brooklyn Agency Inc.

Cost Containment · Procurement Optimization · Vendor Due Diligence · Compliance Advisory

CORE CAPABILITIES

01

Cost Containment

Identify unnecessary vendor spend and operational inefficiencies across all cost centers.

02

Procurement Optimization

Improve purchasing strategies and supplier performance for measurable savings.

03

Vendor Due Diligence

Screen and evaluate suppliers before contracts are executed.

04

Contract Health Checks

Surface hidden fees, auto-renewals, and pricing escalators in existing contracts.

05

Compliance & Risk

Strengthen internal controls and reduce vendor-related operational risk.

06

Forensic Cash Leak Audits

Independent invoice and spend review to identify financial leakage.

WHY CHOOSE THE BROOKLYN AGENCY

Independent

Objective advice with zero vendor commissions or conflicts of interest.

Flat-Fee Pricing

Transparent pricing — you know the cost before we begin.

Executive Reporting

Dollar-quantified findings designed for leadership decision-making.

Data-Driven

Every recommendation backed by invoice data and market benchmarking.

PERFORMANCE SNAPSHOT

10–20%

Typical vendor spend recovered

7 Days

Complimentary assessment window

\$0

Vendor commissions or hidden fees

24 Mo

Invoice history reviewed per audit

100%

Independent & objective analysis

OUR APPROACH

Step 1

7-Day Free Assessment

Sample contract and invoice review to identify your highest-impact savings opportunities at no cost.

Step 2

Forensic Audit

Full 24-month invoice and contract review across all locations to quantify every dollar of recoverable spend.

Step 3

Findings & Strategy

Executive presentation with dollar-quantified findings and a prioritized cost recovery roadmap.

Step 4

Implementation Support

Vendor renegotiation support, contract restructuring, and ongoing monitoring to lock in savings.

Schedule Your Complimentary 7-Day Opportunity Assessment — No Cost. No Obliga
